FROM THE DIRECTOR
U.S. CENSUS BUREAU

We are requesting your help with the Annual Survey of Government Employment. Through this voluntary survey, authorized by Title 13, United States Code, Section 182, we collect data on State and local government employment and payrolls for one pay period in March of each year.

Results of this survey provide the only source of nationwide comprehensive information on this subject. The U.S. Congress, Federal agencies, state and local governments, educational and research organizations, and the general public use these results. Some of the major uses include:

1. Development of the government purchases of goods and services component of the gross domestic product.
2. Development of the national income accounts.
3. Development of personal income figures for States and county areas.
4. Allocation of certain Federal grant funds.
5. Legislative research.
6. Wage and salary negotiations by State and local governments.
7. Comparative studies of employment by function by State and local governments.

Please help us by completing this form with the information from your institution's payroll record(s) and returning the addressed copy in the enclosed envelope (within three weeks, if possible). **We request that you retain a photocopy of the completed reply for your records.** Prompt and accurate completion of this form will save further effort and correspondence.

If you have any questions, please call the U.S. Census Bureau on 1-800-832-2839. Thank you for your cooperation. The U.S. Census Bureau is grateful to you for your help.

Sincerely,

Kenneth Prewitt
